

How to apply?

Step 1. Applicant teams can create an account by filling in the fields of the sign up box with their team leader's details and clicking the 'I'm up for the challenge!' button.

Step 2. Once submitting their sign up request, the applicants will be directed to the application page. Please add the data requested, which will include the name of at least one pilot and one co-pilot. The maximum number of co-pilots is 3. Please click on "Let's take off" to submit the application. You will be requested to either confirm that the submitted data is correct and free from input errors, or return and correct the data you have provided.

Step 3. Upon submission of the application, the team leader will receive an activation e-mail to the e-mail address provided at the time of applying. Please click on the activation link (or please open it in your browser by copying that link into your browser's address bar) to confirm the application.

Step 4. Once the application is confirmed, the team leader will receive a confirmation e-mail. Please note that in the absence of the receipt of such confirmation e-mail the application will not be valid. In this case, please contact us via wizzyouthchallenge@wizzair.com

Step 5. Confirmed entrant teams will receive the case study until 3 September 2019. Selected semi-finalists will need to send or hand over their duly signed paper-based application form to the organiser until 14 October in order to participate in the next round.
